Student Parking Information and Application

Junior and Senior Parking Information

Students classified as juniors and seniors who hold a valid driver's license and wish to park on the school campus must register their vehicle and purchase a parking permit. Students must have all fees and fines paid prior to purchasing a parking permit. They must also agree to follow all rules and regulations set by the school administration in providing for safe and orderly operation of the school concerning vehicular and pedestrian movement.

Parking Permits

All qualifying students are required to purchase a parking permit for each vehicle driven to school and parked on school grounds at the cost of \$30 per permit per year. Student drivers must currently hold a NC Driver's License to apply for a parking permit. Students must show their Driver's License when purchasing a parking permit. Seniors will have the opportunity to purchase a parking permit on a first-come, first-served basis. Remaining parking permits will be offered to juniors and sophomores as available.

All student vehicles parked on the school campus must be registered with the school and display a current parking permit. If another vehicle is used in place of the registered vehicle, the student must notify the front office.

Student Parking Area

The student parking area is located on the left side of the Elementary and Middle School buildings along Cheeks Lane. All student parking spaces are numbered. The student will be assigned a numbered parking space and a corresponding numbered parking permit. The parking permit must be displayed on the rear-view mirror at all times when the vehicle is parked on campus.

Parking Rules and Regulations

- No speeding in the school zones.
- Students will not loiter in vehicles upon arriving at school.
- No student is permitted to transport other students without written permission from parents.
- No student is allowed to sit in his/her vehicle during the school day.
- Drivers must obey all traffic laws and noise ordinances – no spinning of wheels or loud music (being able to hear your music with vehicle windows rolled up)
- Student drivers must notify the administration immediately if they are involved in an accident on school grounds. This includes any minor damage to another vehicle.
- Students must secure written permission to enter their vehicle during the school day. No student is allowed in a vehicle that does not belong to him/her.
- Students will park in the designated parking space assigned.
- Early Release students must vacate the premises immediately upon dismissal.
