SEND NO MONEY ON PICTURE DAY

Each child will be photographed individually. Your child's portrait will be available for you to order on a proof sheet. Packaging and pricing will be sent home with your child's proof.

CLOTHING

Proper clothing allows the face to dominate the portrait, with all other elements being secondary. Keep Patterns simple so not to overpower a portrait and distract from the focus of the face. Darker colors and coordinated outfits have a slimming effect.

ORDERING

Review the proofs sheet and the price information, complete your order by the deadline date. Late orders are subject to a late fee and delayed delivery. Send your completed order form and payment with cash or check back to the school. Credit and Debit cards must be paid online at the online ordering website and password printed on order form.
